The Florida SBDC Network is state Designated as Florida's Principal Provider of Business Development Center (BDC) services. FSBDC at FGCU is a member of the Florida SBDC Network, a statewide service network with agreements with the U.S. Small Business Administration (SBA), Department of Defense, and other public partners; hosted by Florida Gulf Coast University; and nationally accredited by the International Small Business Association (ISBA). All services are extended to the public on a nondiscriminatory basis. Language assistance services are available for non-English proficient individuals. All opinions, conclusions, and/or recommendations expressed herein are those of the Florida SBDC at FGCU and do not reflect the views of the SBA or other funding partners.
